 (Near major bus routes and MAX lines)
Call 503-988-3828 to make an appointment.

**Childhood & Adult Immunizations and
 H1N1 and Seasonal Flu Shots**

**Tuesdays, Wednesdays and
 the third Saturday of March (see below)**

**For children, a \$15.00 administration fee per injection is requested.
 There is no charge for H1N1 immunizations.**
No VFC eligible child will be denied vaccine due to inability to pay.

Free Lead Screening on Tuesdays and Saturday for children six months through six years of age.

Adult vaccination and titer fees vary depending on type of vaccine or titer.
 The fee schedule is posted on the website listed below.

Antibody testing is available during weekday clinics only.
Please eat something and drink plenty of water before the antibody test.

TB Testing: TB Tests are \$25. Due to the nature of the test, clients must plan on two visits for both the TB shot and the TB read. The TB read must happen 48 to 72 hours after the shot. The best option is to come for the TB test on a Tuesday and return the following Thursday to have it read.
